The original idea was to make Kannada compulsory for all but as there was a considerable volume of opinion in favour of allowing the Vernacular Langues to be selected often was given to candidates to select other languages. It pointed out by the Belgaum summer candidates taking up Sanskrit will be given an unfair advantage. It is likely to be entirely for the benefit of candidates who want to specialize in language if they study two languages. The alteration which has been caused by a bare majority requires further consideration. It may be considered at a meeting of Council or disposed of by circulation.

I am afraid the proposal if sanctioned will give the candidates who take up Sanskrit an unfair advantage over the other candidates. Further, it was an integral part of the University scheme that the Vernaculars should receive proper attention.

Bangalore.

Sir,

I am directed to state that at the Meeting of the Senate held on the 22nd March 1917 the following proposition relating to the amendment of Ordinances 43.II and 50.II was moved by Mr. Karpur Shrinivasrav .

" That in Ordinances 43.II and 50.II the note 'when a student selects Sanskrit or Persian as one of his optional subjects, he shall be required to select for his second language a language other than Sanskrit or Persian' be deleted".

After considerable discussion it was agreed that the Ordinances referred to should be so amended as to omit all reference to Sanskrit. The note in Ordinances so altered will now read as under :-

"When a student selects Persian as one of his optional subjects, he shall be required to select for his second language a language other than Persian".

I am to forward herewith a copy of extract from the

Proceedings of the Senate and to request that you will be so good as to obtain orders of Government in the matter.

I have the honour to be,

Sir,

Your most obedient servant,

20. Amendment to Ordinances 43.II and 50.II.

Mr. Karpur Shrinivasrav moved the following proposition :-

That in Ordinances 43.II and 50.II the note " When a student selects Sanskrit or Persian as one of his optional 'subjects, he shall be required to select for his second language a language other than Sanskrit or Persian" be deleted.

In doing so, he explained the necessity for the proposed amendment so far as Sanskrit was concerned and read a note by the Board of Study in Sanskrit in that respect.

Mr. M. Shama Rao seconded.

Mr. C.S. Balasundaram Iyer opposed the proposition on the ground that students taking up Sanskrit would have a very unfair advantage and that the measure itself was not desirable.

Mr. Mir Humza Hussein said that so far as Persian was concerned no change was necessary.

It was agreed to delete the words "or Persian" in the substantive proposition.

After further discussion, votes were taken on the proposition as amended. 14 votes were recorded for and 13 against.- Passed.

The Note in Ordinances 43.II and 50.II will now read as follows :-

"When a student selects Persian as one of his optional subjects, he shall be required to select for his second language

a language other than Persian."
